"1 Kings 1-11, Proverbs, and Ecclesiastes - The Rise and Fall of Solomon" by John MacArthur

Solomon is known as the wisest man who ever lived. His writings in the Old Testament range from practical, pithy proverbs to beautiful romantic poetry—and all are filled with his knowledge and insights. Yet behind those writings stood a flawed man who was conflicted between deep wisdom and tragic folly. This class will study Proverbs, Ecclesiastes, and then finish 1 Kings.
